the story of a modern high school

. . . modern in idea and spirit, as well as in physical structure. For even more than being a building that has been designed with an eye to the future, Douglas Freeman is synonymous with a spirit that is alive and new—that exists in the hearts and minds of the students and faculty. This spirit in itself is proof of the modernity of Douglas Freeman and may be identified in its fresh ideas. It is one that is not content to follow the practices which have become well worn with use, but is eager to formulate and try new techniques and ideas. Here we find that every phase of school life, including academic, athletic, and social, is approached from a new angle. Therefore, in this book we have pointed out just what, in our opinion, makes our high school a little different from any other, giving us the right to refer to it as Douglas Freeman . . . today's modern high school.

Council is governing body

WAYS AND MEANS COMMITTEE. Susan Ottley, Pat Miles, Johnny OBrion, John Page Rawlings, Marge Neff.

Membership in the Student Cooperative Association, the governing body of Douglas Freeman High School, is open to all students. The Association is run by a council composed of one representative from each homeroom, the four officers, class presidents, SCA standing committee chairmen, two faculty advisors and the editor of the *Commentator*.

Officers are Melvin Fratkin, president; Tommy Anderson, vice-president; Betsy Ottley, secretary; and Johnny OBrion, treasurer. Faculty advisors are Mrs. Ruby Carson and Miss Ada Land.

The SCA awards merit letters, based on a point system, to deserving students at the end of the school year.

To help students get the most out of high school life, by promoting their interests in school activities and developing their qualities of leadership and responsibility, is the purpose of the SCA.

Members of the various standing committees of the SCA perform duties given to the student government.

The *Ways and Means Committee*, headed by John Page Rawlings, propose ideas for raising money for SCA activities.

Members of the *Lost and Found Committee*, supervised by Wilton Curtis, render services to the school by keeping lost and found articles. A special room on the first floor is kept by this group and is open at specified times during the day.

As co-chairmen of the *Art Service Committee*, Peggy Dickinson and Myra Sides direct the decoration of the hall bulletin boards. Publicity for school activities is also handled by this committee. Miss Ellen Copenhaver is faculty sponsor.

Headed by Bobby Freeman and Tris Hyde, the *Assembly Committee* has the responsibility of preparing the stage for programs and removing the props afterwards.

To direct "on the air" publicity for Douglas Freeman is the job of the *Radio-TV Committee*, with Jackie Gibson as chairman.

The *Safety Committee*, headed by Jane Meredith, promotes safe practices among the students. A fire hazard check and a safe driving contest, sponsored by the Richmond Youth Safety Council, were among this year's activities.

Keeping the school scrapbook up to date and in order is the job of the *Scrapbook Committee*, headed by Babs Beaumont. The scrapbook is kept in the library and is available to all students.

Most of the money for the SCA is obtained from the operation of the store. The *Store Committee*, headed by Allan Goldfarb, takes care of selling school supplies to students before school and at activity period.

Students enter the gymnasium for the mock political rally.

The *Rebel Yell*, the school handbook, is published each year by the SCA and given to eighth graders and other new students. It is designed to help students better acquaint themselves with the school and find what opportunities are offered them through the SCA.

A mock political election was sponsored by the SCA in which each homeroom represented a state. At a rally held in the gym each state recorded its votes, casting 80 per cent of the votes for Eisenhower.

Working with the county at Christmas and Thanksgiving, DSF, through the SCA, helped collect food and clothing for needy families. A system of parking was devised by the council in an effort to abolish congestion in the parking area.

A schedule for meetings at activity period was devised by the executive board of the SCA at the beginning of the school year. This helped to lessen conflicting meetings and programs.

To honor those juniors and seniors with averages of 90 or above who have excelled in character, service, leadership, and scholarship is the purpose of the National Honor Society.

This year nine juniors and twelve seniors were tapped and so honored. After the induction ceremony a reception was held for the new members and their parents.

Services to the school have been many. Members policed the grounds, gathering trash to improve the appearance of the school. Trophies in the trophy case were polished. The Society also operated a second-hand book store for the exchange or sale of literature books.

Blue and gray DSF pennants were sold in the halls and at basketball games by the organization to raise money toward a school camera or a plaque honoring graduating members.

Miss Ada Land and Mrs. Ruby Carson sponsored the group with Janet Neill, president; Dale Boatwright, vice-president; Jane Meredith, secretary; and Lance Hopkins, treasurer.

Writers are recognized

The Douglas Freeman chapter of the Quill and Scroll has been organized to recognize outstanding high school journalists for their service and ability in the literary, business, art and editorial departments of school publications.

The purposes of the organization are to advance the standards of the profession of journalism, to promote the exact feeling that is needed in clear, forceful writing, and to instill in students the ideal of scholarship.

The Quill and Scroll sponsors the annual Publications Banquet held in the spring. They also help in the National Quill and Scroll Political Contest in February.

An installation service was held in the fall to honor those seniors qualifying. Seven seniors, Melvin Fratkin, Kay Slaughter, Mary Thom White, Johnny OBrion, Jackie Gibson, Carol Gregory and Joann Kleinecke were tapped. A reception was held in the library afterwards for the members and their parents.

Another such service was held in the spring for qualifying students, Peggy Dickinson, Drew Barden, Bill Ivey and Betsy Ottley.

The chapter officers are Jane Meredith, president; Johnny Thompson, vice-president; and Doralee Forsythe, secretary-treasurer. Faculty advisors are Miss Carol Jones and Miss Carolyn Baker.

Gayle Gowdey, Lillis Hamilton and Susan Sedam discuss plans for the induction ceremony.

The *Historian*, DSF's yearbook, is to the school and its students a record of all the activities and happenings which occur during the school year.

Outlining the book begins in the summer long before the opening of school, and the work does not end until the last deadline is met in the spring. First, an outline of the pages must be completed and plans are made accordingly. Editors and assistants all have their work to do—planning pages, writing copy, and securing pictures.

Another important phase of yearbook work is photography. Appointments must be scheduled with the photographer to take both individual and group pictures. Part of the picture taking is done by the student photographer.

Get those ads

To collect the funds necessary for publishing the *Historian*, the Business Staff, under the guidance of Miss Dorothea Moore has worked long and hard this year.

Any student desiring to work on the staff was required to obtain three ads by October 1. To stimulate interest, a contest was held to see who could secure the most ads. Judy Pitts obtained fifteen ads and as first prize was awarded a free yearbook. Approximately 36 students made the staff.

Besides obtaining advertisements the group is responsible for soliciting subscriptions for the yearbook. To accomplish this, a drive was held in the fall with each staff member assigned a separate homeroom.

It is also the job of the Business Staff to distribute the yearbooks when they arrive in the spring.

Those serving as business heads for this year were as follows: Jackie Gibson, Business Manager; Susan Sedam, Advertising Manager; Nancy Elliott, Subscription Manager; and Ann Grymes, Circulation Manager.

Anne Grymes, Subscription Manager;
Susan Sedam, Advertising Manager.

COMMENTATOR SPONSORS. Miss Shirley Ward, Mrs. Kathleen Mears, Mrs. Margaretta Stephens, Mrs. Edna Meadows.

To publish the finest high school newspaper possible is the goal toward which the staff of the *Commentator* constantly strives. The paper is published every three weeks during the school year. After two years of publication, the *Commentator* increased its size by more than a third. A new typewriter was purchased by the newspaper which is generously loaned to all students needing its use. The junior journalism class made regular contributions to the paper. The Cub Club again proved its worth by staying after school and helping the staff, even writing their own column.

"Bridging the gap between the high school and community" was this year's theme. To carry the idea out, the staff prepared features, including a series of interviews with prominent local Richmonders who discussed the advantages, disadvantages, and opportunities of their vocations. There were also stories presenting students' and parents' views on problems and various events.

Heads of the literary staff and the business staff are Johnny Thompson and Josephine Bayne, respectively.

Fran Webb was one of two girls chosen from the county to attend a national convention in Washington, D. C.

The main project of the Douglas Freeman Council, working with other chapters in Henrico County, is the establishment of an organized disaster program. During the year a Safety Week was conducted by the Red Cross emphasizing rules of safety. Many members helped at McGuire's Veterans Hospital.

A chest filled with school materials, bought by Red Cross enrollment money, was sent by the group on behalf of the DSF student body to a school overseas.

Eleven paintings were also sent overseas to be entered in an international art contest.

Rebel reading is exciting

During this year the Library Club proved very efficient. Helping to make the facilities of the library more accessible to the students and faculty has been its aim.

Each period throughout the day four or more students serve as librarians assuming the duties of checking out books, taking care of the chairs and magazines, replacing books on shelves and checking library passes. The members rotate jobs in order that each one may have a chance to become acquainted with each particular task. All members strive to render beneficial services to the entire school.

Chairman of the program committee, Nina Lawson, planned programs for the club meetings which were held during activity period on the first and third Wednesdays of each month. The programs were designed to teach the club members how to use the implements of the library to their greatest capacity. During the meetings books were also reviewed and discussed.

For the convenience of students who do not have an opportunity to go to the library during school the library remains open for a short while before and after school.

Under the guidance of Miss Juliette Moody the officers are Ada Allen, president; Nina Lawson, vice-president; Suzanne Drake, secretary; and Nancy Cook, treasurer.

Appearing in new blue and gray uniforms, the Douglas Freeman band played at many school activities throughout the year. The band aroused school spirit by playing both at pep rallies and at football games. The band also participated in the State Band Festival. Providing music for several programs presented by the school was one of its main functions.

Throughout football season the majorettes led the Douglas Freeman Band during its half time performances. Accompanying the band, they appeared in the Tobacco Bowl parade. Joanna Gallasch served as head majorette. Barry Steinberg was elected drum major this year.

The Melody Men, a quartet of male voices, entertained at many school programs as well as at several outside organizations. At Junior Talent Night the Melody Men took top honors by winning first place. Accompanied by Seaton Fulghum at the piano, the group includes Marden Gardner, Jimmy Pounders, Bobby Lloyd, and Steve Mathews.

The newly formed Douglas Freeman Dance Band, composed of sixteen members, performed at its first dance this year when it played for the FBLA Sweetheart Dance. The Dance Band also played in Junior Talent Night and Stunt Night.

Glee Club blends harmony

The music department at Douglas Freeman has been very busy this year. The Glee Club and their director, Hunter Purdie, were host to the All-Central State Chorus, meeting here in February. Professor Wayne Hugoboom from Huntington, West Virginia, was the guest director of the choral group. The chorus consisted of 154 singers from 14 schools within a 60 mile radius. Fourteen members of the DSF Glee Club participated in the event. They were Ellen Jolly, Elaine Walker, Madeline MacNeil and Pat McMillen, sopranos; Dottie Flynn, Alicia Sims, and Susie Haid, altos; Jimmy Pounders, Marden Gardner and Bobby Haid, tenors; and Bobby Lloyd, Seaton Fulghum, Mac Davies, and Richard Keller, basses.

DSF's first operetta, "A Waltz Dream," was presented by the music department in the winter. The chorus part of the production was sung by the Glee Club. Betsy Ottley, Glee Club accompanist, played the piano during the musical show with Mrs. Jodie Wampler at the organ.

At Christmas the halls resounded with carols sung by the Glee Club as they walked past the classrooms.

"A Night of Music" was presented in March with the Glee Club and Band participating.

In March the Glee Club participated in the State Music Festival held in Ashland at Randolph-Macon College. The choral group was rated, along with other College. The choral group was given a superior rating.

Royalty reigns

Douglas Freeman's first Homecoming was the Albemarle game, October 19. Before the game there was a parade of decorated cars. During half-time the princesses, representing each grade, were presented, and the Queen, Paulanne Hull, was crowned. After the game, Paulanne was honored at the Homecoming Dance.

Another first at DSF this year was the Sweetheart Dance sponsored by the Future Business Leaders of America. Nancy Elliott was crowned Sweetheart after her name was drawn from a hat.

By popular vote of the Freshman Class, Karen Burke was selected Queen of the class dance.

The Senior Dance was highlighted by the crowning of the King and Queen, and a dance figure was executed by the Senior Court. From the Court, chosen by the graduating class, the King and Queen, the Maid of Honor, and her escort were picked by vote of the entire school.

31 DSF — WASHINGTON HENRY 2

The Rebel eleven began where they left off last year in trouncing Washington Henry 31 to 2. The entire team contributed to their opening victory, September 21.

44 DSF — MIDLOTHIAN 6

Led by the scoring of Halfbacks Ray Taylor and Bobby Grymes, the Rebels completely out-classed an inexperienced Midlothian eleven, 44 to 6. The Rebels ground out 432 yards rushing in capturing their twelfth straight win, September 28.

13 DSF — ST. CHRISTOPHER'S 13

Encountering their first city opponent, Douglas Freeman saw its winning streak halted at 12, October 5, by a 13-13 tie with St. Christopher's School. Behind 6-13, Ray Taylor broke away on a 65-yard jaunt to pay dirt. Tommy Griggs plunged over for the extra point to secure the tie.

27 DSF — JAMES MONROE 13

The invading Yellow Jackets from Fredericksburg found DSF at their best, as the Rebels combined a stubborn defense and an explosive running game to defeat James Monroe 27 to 13, October 12.

32 DSF — ALBEMARLE 6

Defense again was outstanding as the Rebels notched their third district win, October 19. Backs Tommy Griggs and Ray Taylor provided the offensive punch in overcoming the Albemarle Patriots 32 to 6.

14 DSF — LOUISA 0

The Rebels traveled to Louisa, November 2, and defeated the drizzling rain and slippery mud as well as the Louisa eleven, 14 to 0. Hard driving fullback, Tommy Griggs, not at all handicapped by the elements, powered his way to one TD and set up the other. The Douglas Freeman line was outstanding in holding the "slippery" Louisa backs in check.

6 DSF — THOMAS DALE 26

Douglas Freeman's record of 16 games without a defeat was smashed by the powerful Black Knights from Chester, November 7. The Rebels were stunned by two quick Thomas Dale touchdowns in the first period of play. After the half the Rebels finally began to move behind the passing of Don Davies to his ends, Bill Kemp and Billy Powers. However, the defense could not stop the Knights' hard running backs, and the Rebels went down to defeat.

40 DSF — VARINA 6

A spirited Rebel eleven defeated their arch rivals, the Varina Blue Devils, 40 to 6, November 14. The high geared Rebel offensive attack overwhelmed the Blue Devils as Coach W. E. Long's boys played almost flawless ball. Quarterbacks Don Davies and Lance Hopkins kept the Rebels marching all the time.

13 DSF — POWHATAN 18

Douglas Freeman ended the season on a rather disappointing note in losing to a fired up Powhatan team, 18 to 13. Avenging last year's defeat, the Indians recovered a fumble and drove for the TD, scoring with little time left. The Rebels desperately tried to score as the gun went off.

In compiling a 6-2-1 record the Rebels ended their second straight highly successful season under the watchful eyes of Head Coach W. E. Long, Line Coach George Rebich, and Assistant Coach Jon Massello.

Cagers grab season crown

Lance Hopkins strains to tap the ball to teammate Melvin Fratkin.

The rampaging Douglas Freeman basketball team raced through league competition and secured the season championship, whipping Varina 63 to 50 in the Rebel's final district contest of the season. An overtime loss to Thomas Dale was the only mar on the Rebel's district slate as they compiled an outstanding 13-1 record.

The Rebel quintet was led by top-notch scorer and rebounder Jimmy Blunt, who clipped along with a fine 13-point average. Co-Captains Lance Hopkins and Melvin Fratkin used their experience and basketball know-how to engineer many victories. However, the key to the success lay in the strength of the bench. Six-two Bill Wood, who alternated with Tommy Griggs at the center post, came through in championship form to spark the win over Varina. Flashy guards David Wilson and Jerry Radford broke open many a game with their sparkling play. Smitty Smith and John Page Rawlings helped the Rebel cause whenever called upon. Throughout the season team spirit and good sportsmanship were exhibited by Douglas Freeman.

By virtue of their first place position the Rebels drew eighth place Powhatan in the opening round of the Group II District 2 tournament and promptly defeated them soundly, 72-58. Smitty Smith's dramatic last second field goal was needed to defeat the stiffer competition of second round opponent Orange High School, 57-55. Douglas Freeman met menace Thomas Dale, in the finals. Behind from the beginning, the Rebels were never able to catch the spirited Black Knights and finally went down to defeat by a 50-42 score.

On behalf of the team, Senior Co-Captains Lance Hopkins and Melvin Fratkin, were presented with the runner-up trophy. Jim Blunt was placed on the All-Tournament Team.

The Rebelettes started the season off in full force with six experienced members back. Two new players from the jay vee, and two new recruits filled out the team. Lyn Larson and Mary Lou Ayers were elected co-captains for the season.

Marsha Sullivan opened the season with an unbelievable shooting display, as she scored 47 points against Hermitage. Lyn and Mary Lou also provided the scoring touch when the time called for it. Outstanding on defense were Judy Wilburn and Nancy Anderson.

Jay vee girls enjoy best season

Led by the scoring of Pat McMillen and Rhea Neuroth, the Baby Rebels compiled their best record to date, nine wins as against only four losses.

Mrs. Martha Harmon, parent of a Douglas Freeman student, willingly gave up her time to coach the little Rebelettes. The six returning members formed a strong nucleus, and the five new players completed the squad's roster.

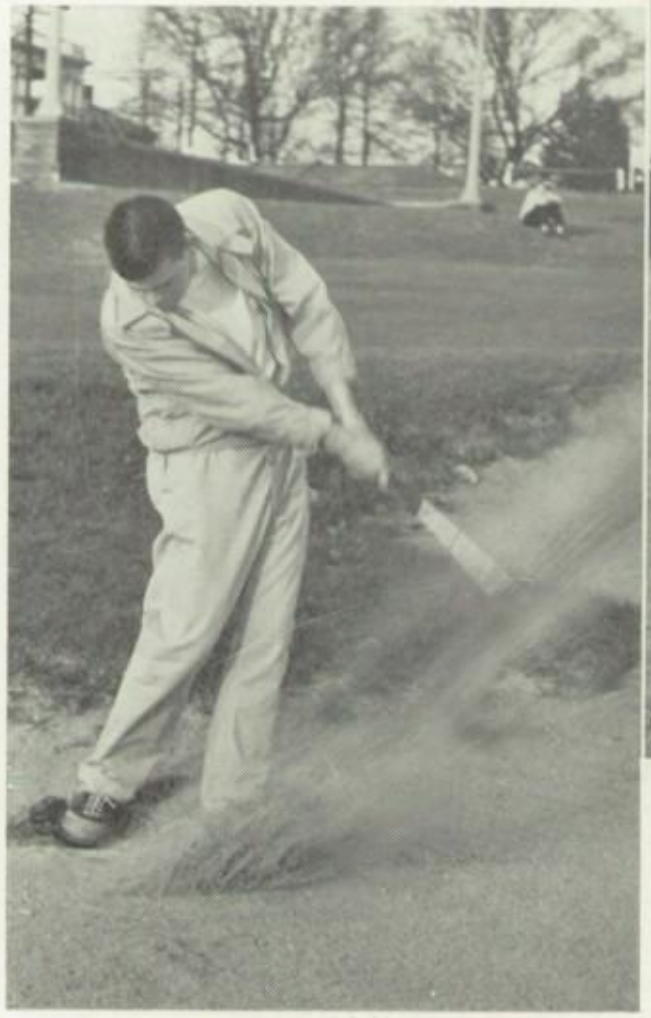
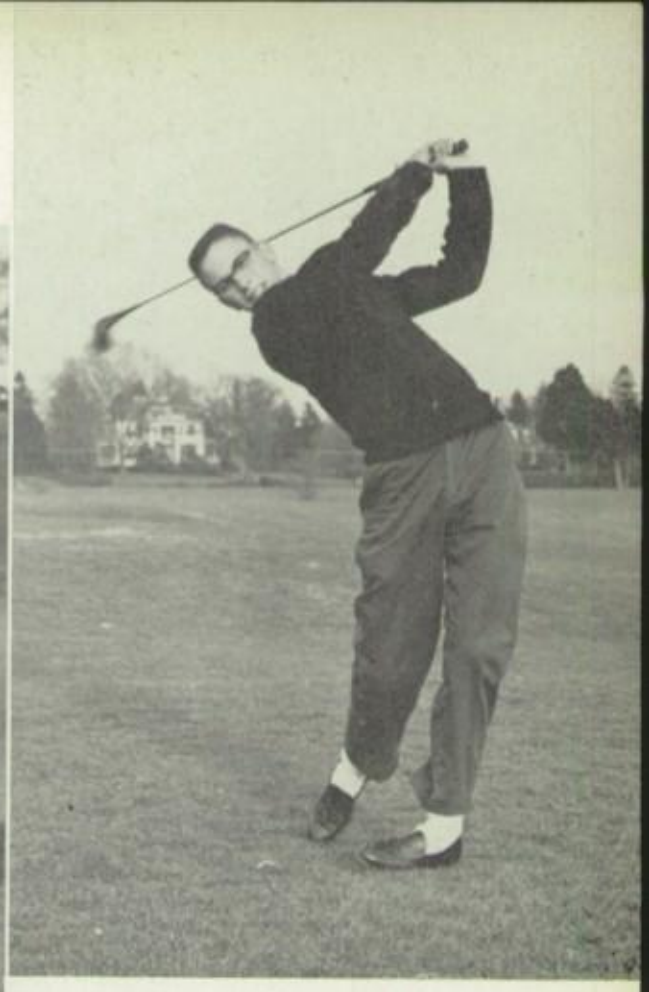
Golf is here to stay

In their first organized season the 1956 Rebel golfers gained a 2-3-1 record.

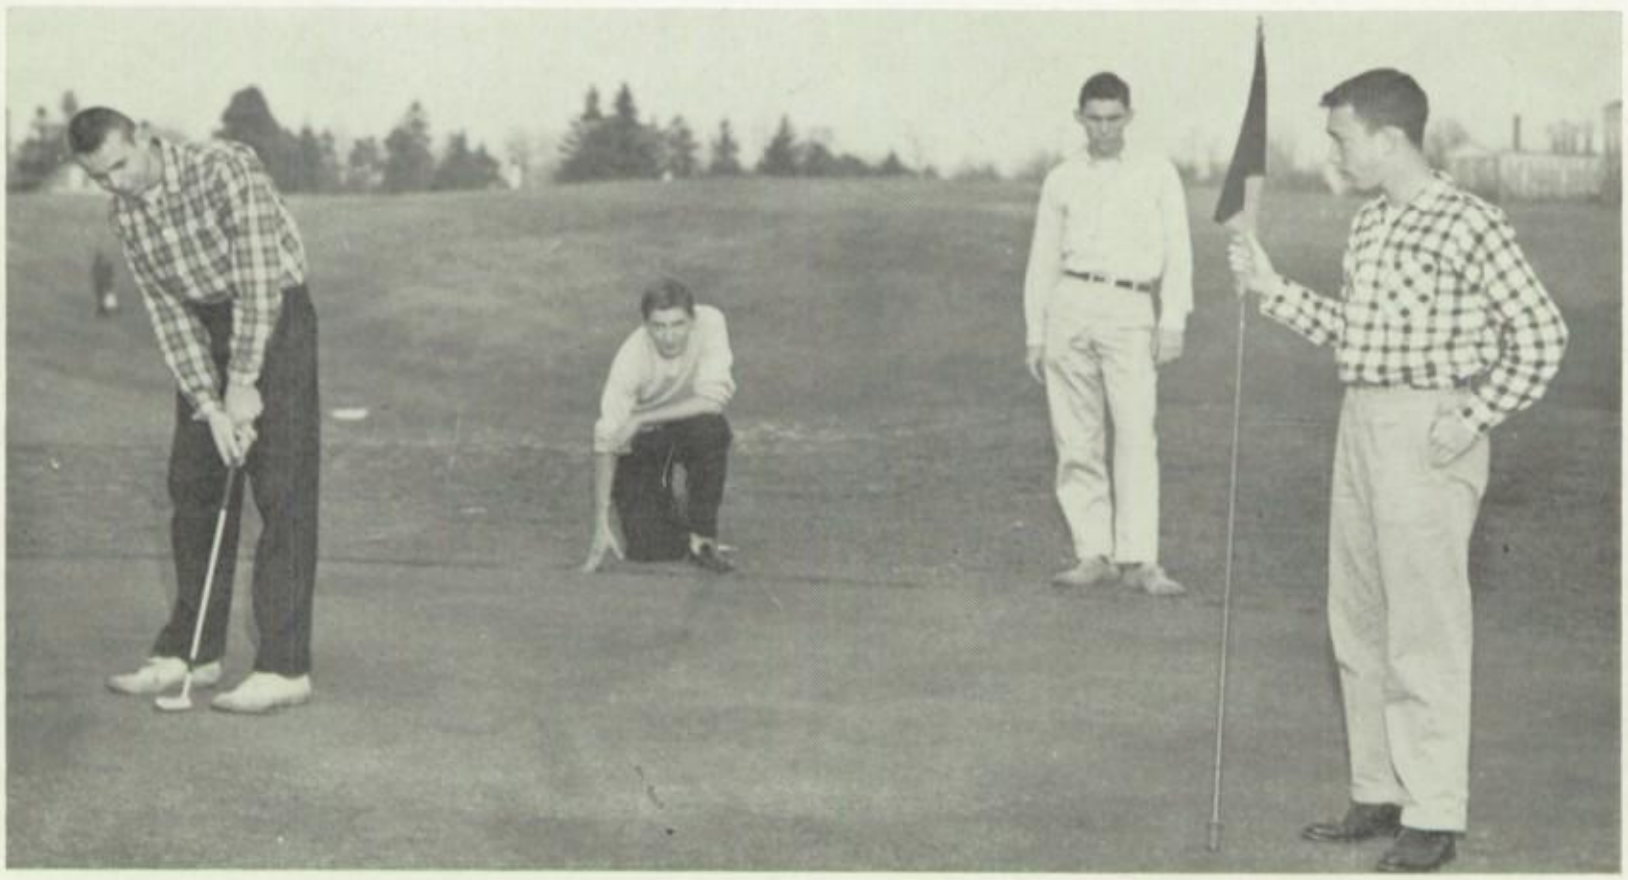
The four-man team, with veterans Gerald Grossman, Johnny OBrion, and Ray Noonan, lost their first two matches to Petersburg, 10½ to 7½, and Hermitage, 17 to 1, both strong teams. However, the free swinging Rebels in a later match bounced back to stun Hermitage, 12½ to 5½, in the season's big upset. Noonan was low man with 82 as OBrion and Bill Wood also captured wins. In the next match Christchurch subdued the Rebel golfers 14-4. Seeking to get even, the DSF golf team avenged an earlier loss to Petersburg as they whipped them convincingly 15-3. The whole team played exceptionally well. Riding on this victory, the Rebels gained a tie with Christchurch, 3-3, in their last match. Grossman overwhelmed highly talented Sam Wallace in the abbreviated match.



Johnny OBrion blasts sand and ball out of the trap.



Gerald Grossman smacks a 250-yard drive straight down the fairway.



Ray Noonan gets lined up to sink a putt as Barry Fratkin lifts the flag from the cup. Bill Noonan and Kenneth Wood eagerly look on.

Track is on the up-grade

Douglas Freeman's cindermen compiled a 1-4 record in dual meet competition last year. However, the season featured many exciting performances by the individual racers and jumpers.

Dashman Ray Taylor scored many firsts in the hurdle races and the dashes. In the mile run Bruce Justice was a master, winning in every meet except the district meet at Woodberry Forest. Tommy Anderson ran thrilling 440 yard races and was the mainstay on the crack Rebel mile relay team.

Ray Taylor stretches to take the lead in the low hurdles in the Henrico Meet.

Tommy Anderson breaks the tape in the 440 yard run as Mel Fratkin stumbles into second place.

High jumper, Ed Clay, and discus flinger Jay Dee Patton, held supremacy over their opponents in their individual field events.

After winning their first encounter the Rebel track team dropped their remaining dual meets by close margins. The track men combined their efforts to emerge on top in the triangular meet with Washington-Henry and Powhatan. Determined performances achieved the victory. In the big Henrico Meet the Rebels gained third place with 24 points. Hermitage was again the winner as Highland Springs placed second and Varina, fourth. Coach W. E. Long took his boys to the district meet where they captured fifth place among 12 teams.

Toward the end of the season youngsters John Irby, Stevie Stevenson, and Bobby Freeman showed great signs of improvement and promise for the next season.

The 1956 Rebel baseball team showed much improvement over the previous season as they posted a 5-9 record. Although far from a winning season, the diamond boys sparkled and gave standout performances at times.

The Rebel nine lost in their opener against a strong Saint team and fell twice more before defeating Henry Clay and Midlothian by convincing scores. Varina, Thomas Dale, Powhatan, and St. Christopher's maintained their mastery over the Rebel timber swingers as each claimed the Rebels twice. The Rebel team conquered Washington-Henry twice and Midlothian again in notching their five wins. The season ended in a thorough thrashing at the hands of Louisa.

All-suburban shortstop Murray Janus was a sparkplug throughout the season and finished with a fine .333 batting average. Catcher Tommy Griggs also proved his worth at bat, ending with a .300-plus average. Don Davies, the only pitcher with experience, compiled a 2-6 record as he was the team's work horse.

We've got the pep

The cheerleaders began a busy year last summer when they started practicing for the oncoming football season.

First on their full schedule was the Tobacco Bowl Parade, October 12, in which they took part. The following week they were instrumental in planning activities for Homecoming. On November 3, the varsity group cheered its way to the finals in Thalhimer's Cheer Rally.

Cheerleaders whoop it up at DSF football games.

Twice, the squad appeared on local television programs to promote national fund raising campaigns. In December it was for the Muscular Dystrophy Drive, and in January they cheered for the March of Dimes. In the interest of the latter drive, they also joined other cheerleaders in the Richmond area in collecting a "block of dimes" from passers-by.

The cheerleaders also presented a spring fashion show in April for the student body. Their final activity for the year was the Cheerleaders' Dance at which the 1957-58 squad was announced.

Top: "Fight!" is the cheerleaders' cry as they lead the crowd in a yell at a basketball game. *Bottom:* Helping to advertise West Cary Street Shopping Center was one of the cheerleaders' many activities.

In memoriam

Born May 6, 1917 Died January 7, 1957

George Rebich, a tower of strength and understanding, tirelessly strove to raise the standards and achievements of Douglas Freeman students. He was more than an experienced teacher, more than a leader in scholastic wrestling circles, more than an able football coach. He was a man whose unassuming manner, high moral values, integrity, and sense of humor inspired his pupils to want to do their best for him because they loved and respected him. He will continue to live at Douglas Freeman in the lives of students and teachers who are better because they knew him.

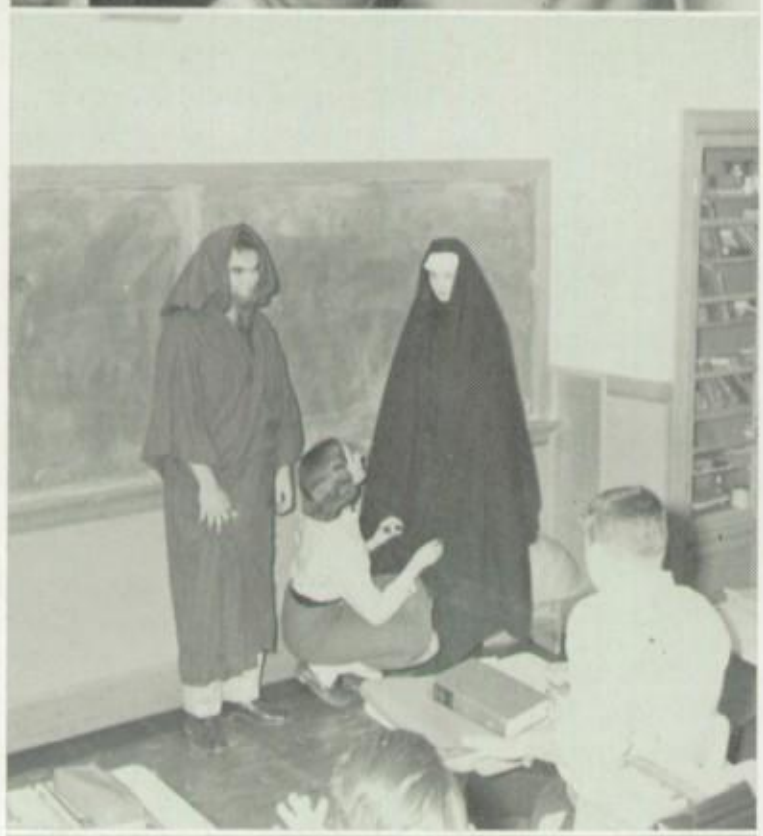
Students find learning

Mrs. Mears teaches the journalism class the inside story of our newspaper.



Miss Jones shows Lynne Marmaduke, Judy Musser, David Wilson, Dave Montgomery, and Sammy Beach that understanding *Silas Marner* is easier with illustrations.

1. Gosh, all the uses that Mildred Toney, David Haslett, Paulanne Hull, Judy Phillips, Sylvia High, and Marden Gardner can make of a study hall!
2. Linda Wells makes up the characters of Chaucer's Miller, Jay Dee Patton, and the Nun, Nancy Lindsey, in the *Canterbury Tales* to prove that a picture is worth 1,000 words.
3. Mrs. Banks helps Tommy Smith, Don Falls and Betty Lee Franklin figure out their trigonometry homework.

is fun

Floyd Tilley, Roy Collins, Pat Braxton and David Barney discover that learning is fun in the modern chemistry laboratory.

Mrs. Carson finds maps are helpful in explanations to Sallie Puller, Gayle Gowdey, and Lynn Whitehead about Civil War tactics.

1. Pat Bobbit and Betsy Snead find that their most enjoyable class is in the streamlined home economics kitchen.
2. Billy Powers is taking advantage of the interesting and informative course offered in wood-working.
3. Modern, up-to-date business equipment helps Nancy Scott, Judy Brown, Shirley McGhee, Nancy Lindsey and Buddy Anderson prepare for future occupations.
